

IN THE CLAIMS

Please cancel claim 1 and add new claims 9-15 as set forth below.

9. (New) A composite comprising a non-woven material having reversible enhanced thermal properties.

10. (New) The composite according to claim 9, further comprising a foam material.

11. (New) The composite according to claim 10, wherein the foam material is an open cell foam.

12. (New) The composite according to claim 9, further comprising an inner moisture transfer material.

13. (New) The composite according to claim 12, further comprising a foam material.

14. (New) The composite according to claim 13, wherein the foam material is an open cell foam.

15. (New) The composite according to claim 14, wherein the foam material has reversible enhanced thermal properties.
